With so much homework, I usually don't have much time to read.

But I always look forward to reading

as the articles are short, to-the-point and relevant. I have kept every copy, as it helps to keep me updated on current issues and is a good resource for my essays in school.

Timothy Teo from TKSS

My two boys do not have a habit of reading. It was only when they were introduced to **ADVENTURE** that they cultivated the habit of reading. **ADVENTURE** is an excellent resource for parents who want their children to improve their vocabulary, grammar and creative writing using UK standard.

Juliana, mother of 2 boys 8 & 10 yrs old

My kids are always excited to receive their copies of **story BOX**, **ADVENTURE** and **discovery BOX** magazines. The magazines are fun and informative, and my kids are always so engrossed in reading them - even my boy who doesn't like to read.

Corrine Lin, mother of Melody So (aged 8) and Colin So (aged 7)
